What's Inside a Cushion?

COUCH POTATOES

Lifetime Cushion
Series: 360 | 700 | 715 | 746 | 787 | 808

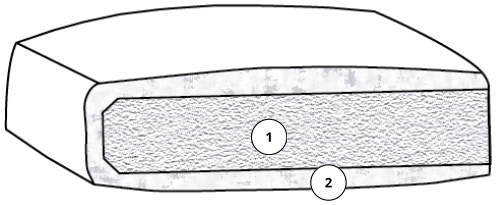

The high resiliency inner foam core offers exceptional durability, maintaining its shape and providing firm support we stand by with a lifetime warranty. To enhance your seating experience, we wrap it in a thin layer of 1.2lb density foam, adding softness without sacrificing support.

1. 2.3 Density High Resiliency Foam
2. 1.2 Density Foam
3. Dacron Wrap

Luxe Cushion
Series: 425

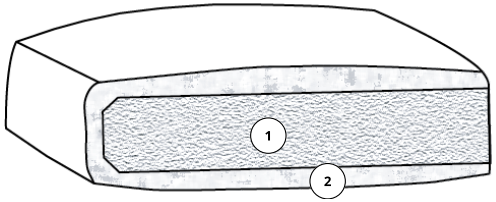

A 1.8lb density high resiliency foam core provides superior lasting comfort and support. This cushion will maintain its resiliency for 5 to 8 years, depending on use.

1. 1.8 Density High Resiliency Foam
2. Dacron Wrap

Standard Cushion
All other series

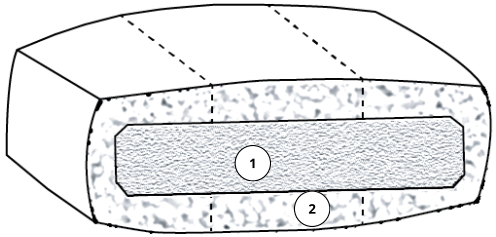

A 1.8lb density foam core is the industry standard for reliable comfort and support. Designed to provide a balance of softness and durability, this cushion will maintain its resiliency for 3 to 5 years, depending on use.

1. 1.8 Density Foam
2. Dacron Wrap

Ultra Plush Cushion
Series: 150

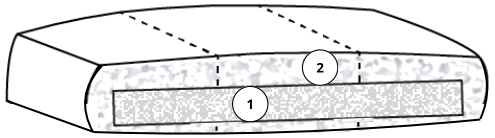

A 1.8lb density foam provides the essential support needed to maintain the cushion's shape over time. This core is enveloped in bagged and channeled synthetic down Trillium fill, delivering a cloud-like feel.

1. 1.8 Density Foam
2. Channeled Synthetic Down

Plush Cushion
Series: 625

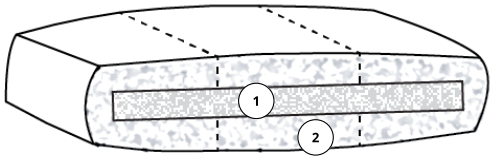

3 inches of 1.8lb density high resiliency foam is topped by bagged and channeled synthetic down Trillium fill. This combination offers a plush, cozy feel while maintaining gentle support.

1. 1.8 Density High Resiliency Foam
2. Channeled Synthetic Down

Relaxed Cushion
Series: 125

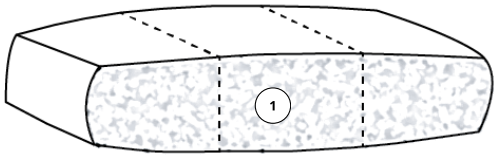

2 inches of 1.8lb density high resiliency foam is surrounded by bagged and channeled synthetic down Trillium fill. This combination offers a plush, cozy feel while maintaining gentle support.

1. 1.8 Density High Resiliency Foam
2. Channeled Synthetic Down

Ultra Relaxed Cushion
Series: 102

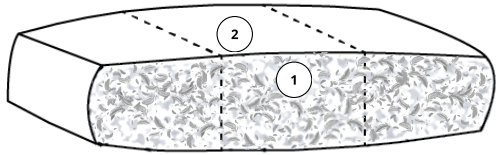

Bagged and channeled synthetic down Trillium fill offers a soft, enveloping feel. Paired with a webbed seat deck, this cushion provides extra sinkage, creating a cozy, laid-back seating experience.

1. Channeled Synthetic Down

Ultra Relaxed Down Cushion
Series: 101

We took our Ultra-Relaxed Cushion to the next level, replacing synthetic down fill with a real down-feather and polyester blend, for the ultimate cloud-like seating experience. A durable down-proof cover prevents feathers from escaping while maintaining a smooth, tailored look.

1. Channeled 50% Down-Feather/ 50% Poly
2. Down-Proof Cover
